## Institute Focus

The 2015 Summer Institute for Teachers is a working conference for K-12 teachers in all content areas, and is designed to allow teachers to work together in:

- Exploring strategies that will lead to better instruction in the standards.
- Examining the AMP Summative Framework to determine how it can be used in planning and creating lessons.
- Discovering resources for continued learning.

## Early Learning

### Pre-Conference Day Focus

The Early Learning Pre-Conference Day is designed to lead participants to gain a deeper understanding of effective practices in the instruction of preschoolers by:

- Making connections between preschool and school readiness.
- Building bridges between the Early Learning Guidelines and the Alaska Standards.
- Learning effective classroom strategies for early learning.
