

# Alaska Educator Evaluation System

## Student Learning Objective (SLO) Template

**Purpose:** This template can be used for writing a Student Learning Objective (SLO). It should be reviewed by both the teacher and administrator. All information is required unless otherwise indicated.

<b>Educator's Name</b>		<b>School Year</b>	
<b>Grade</b>		<b>Subject</b>	
<b>Student Population</b>			
Which students will be included in this SLO? Attach SLO class roster.			
<b>Interval of Instruction</b>			
What is the duration of the course that the SLO will cover? Include beginning and end dates.	<input type="checkbox"/> Full Year <input type="checkbox"/> Semester <input type="checkbox"/> Quarter <input type="checkbox"/> Other (please specify):		
	Beginning:		Ending:
<b>Standard and Content</b>			
What content will the SLO target? To what related standards is the SLO aligned?			
<b>Assessment and Test Integrity</b>			
What assessment(s) will be used to measure student growth for this SLO?			
Why was this assessment selected?			
How will you administer the assessment(s) securely?			
<b>Baseline/Trend Data &amp; Rationale</b>			
What information is being used to inform the creation of the SLO and establish the amount of growth that should take place within the instructional interval?			
If baseline and trend data supports the development of tiered targets, what criteria are being used to group students? On class roster, identify each student's group placement.	Low level of preparedness		
	Medium level of preparedness		
	High level of preparedness		

Growth Target(s)			
What is your growth target for your students?	<i>On the assessment described above, all students cover by this SLO will increase their score by ...</i>		
If baseline and trend data supports the development of tiered targets, indicate your target for each group.	<i>On the assessment described above, students who were determined to have the lowest level of preparedness will increase their score by...</i>		
	<i>On the assessment described above, students who were determined to have a medium level of preparedness will increase their score by...</i>		
	<i>On the assessment described above, students who were determined to have the highest level of preparedness will increase their score by...</i>		
How did you arrive at the growth targets for your students? On the SLO class roster, identify each student's growth target score.			
Scoring			
<b>Exemplary (4):</b> more than 85% of students met their target	<b>Proficient (3):</b> between 65% and 85% of students met their target	<b>Basic (2):</b> between 40% and 64% of students met their target	<b>Unsatisfactory (1):</b> fewer than 40% of students met their target
