

Tasks to consider for this week Nov 14-21, 2019 include:

- Join the Teaching Channel and check out some of the resources (e.g. Tracking Behavior with Number Lines)
- Join Newslea and try out manipulating an expectancy or value variable
- Attend the Second Step webinar (or encourage your principal to) on Nov 20 at 2 pm
- Revisit your rules in the context of antecedent strategies
- Try out the monitoring classroom rules tool
- Try out one of the “structural considerations” offered up in this webinar
- Read about and be more intentional about using the “influence principles.”
